f DECK BISTRO NEW | DECKBISTROANDBAR

Ten years ago we opened our doors to good tastes, friendships and unforgettable evenings. Now we celebrate with you all the experiences, laughter and toasts that this journey has brought. Just think of how many birthdays and graduations we have hosted, where you made a secret wish over the cake, and how many nights when you came home under the dawn sky because of music and friends. Not to mention those first dates that have since turned into marriages.

On the occasion of our anniversary, we are happy to share with you the most iconic and beloved food specialties of the past ten years, which you can find on our menu under the name **All Stars of DECK**. Let's raise our glass together to ten years of memorable moments!
